

# AUTOMATE | Relay Module

Part #: MTRF-DCIM-1C

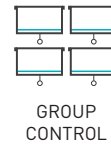

Description: AUTOMATE | Dry Contact Transmitter for ARC motors

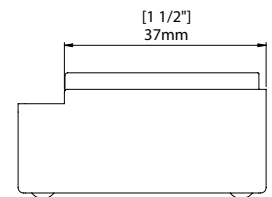

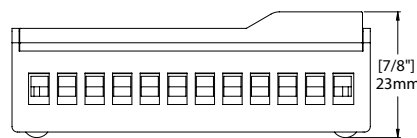

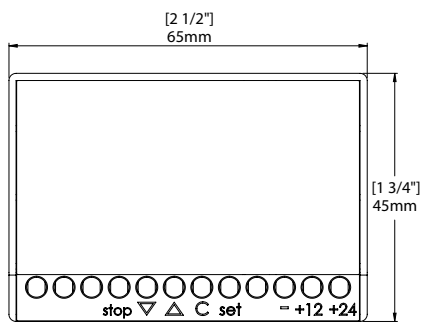

## FEATURES

- Interface between third party smart home systems and ARC motors
- Three contact inputs - Up, Down & Stop
- Wireless control of ARC motors
- Roller mode and Step mode for venetian motors
- Group Motor Control
- 12V or 24V power source compatible

## TECHNOLOGIES

## DIMENSIONS

## SPECIFICATIONS

<b>12V Power Input Voltage</b>	8V ~ 16V	<b>Transmission Distance</b>	up to 200m (open space)
<b>24V Power Input Voltage</b>	16V ~ 26V		up to 656' (open space)
<b>Transmitting Power</b>	10 milliwatt	<b>Temp Working Range</b>	-10°C ~ 50°C
<b>Radio Frequency</b>	433.92 MHz		14°F ~ 122°F
<b>Dry Contact Duration</b>	>0.25 seconds
